15BF - BROADCAST FEATURE PACKAGE (28 points possible)

Up to three students may collectively submit a broadcast feature package created after November 16, 2022. We ask that the total length fall between 90 seconds and 2.5 minutes. We do not allow "canned background music" to simplify the copyright citing requirements for your students and our judges. Still, we do expect exemplary...

- Broadcast style
- Pacing
- Transitions
- Shot compositions
- Steady camera movements
- Voice overs
- Graphics to identify the place, people, and reporter(s)
- Soundbite levels
- Sequencing
- Developed storylines

PSPA defines a feature package as a journalistic video covering a human-interest story. A feature package is informative, interesting, and follows the journalistic code of ethics.
