

16BL - Blog (24 points possible)

PSPA proudly introduces a blogging category into the competition mix. To compete here, you must provide the web address that takes us to your best blog. When choosing one, consider the following:

- How dynamic is your blog?
- How relevant is your blog?
- How informative is your blog?
- How compelling is your blog?
- How stylistic is your blog?
- How effective is your headline as it relates to the piece?
- Does your blog encourage or inspire debate? It should.
- Consider proper spelling, punctuation, and other language conventions.

Also, answer the following two questions to give the judge more insight.

- What prompted you to write on this topic? (limit it to 250 characters?)
- You get a do-over on the blog. What would you change to make it even better? (limit it to 250 characters?)

Upload your blog address to the paschoolpress.org website.

You must do so by the date that your school attends a SJC Regional. Also, we will accept only blogs posted on or after November 16, 2022.
